SECRETARY'S REPORT

I would like to thank my fellow Committee Members for a job well done throughout last season. My congratulations to Greg Gough for winning the Jika 'B1' Grade Bowling average and to Neville Shaw for winning both the Jika U16 Grade Batting and Bowling averages. To the A Grade and B1 Grade premiership teams. My thanks to the respective Captains for their control and leadership on the field.

I would personally like to thank Kevin Dillon for his coaching services over the past (3) three premiership years and wish him success again this coming season and hope all players get right behind him.

The club has achieved (22) premierships to date which is a Jika record. The A Grade side has reached a hat trick of premierships for the 3rd time. The question is raised 'Can we equal Prestonites record of 4 premierships in a row.?' I feel we can if all players contribute to the best of their ability toward this goal.

Finally, I would like to wish the incoming Committee as well as the players all the best for the coming season.

DENIS MILLS

1980

PRESIDENT'S REPORT TO THE MEMBERS OF KEON PARK C.C.

Fellow Members,

It is with a mixture of both pleasure and some sadness that I present this report to the 1980 Annual Meeting.

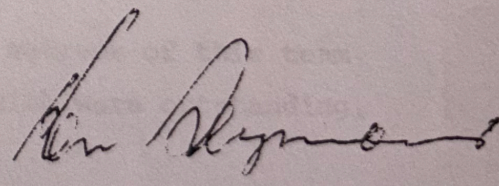
Firstly, the Club has enjoyed another successful year on the field culminating in both our 'A' & 'B' sides winning premierships and those players who participated in those sides throughout the season are to be congratulated. Also Greg Gough and Neville Shaw enjoyed personal success by winning Jika trophies and are also deserving of our congratulations. Congratulations are also due to Ray Shaw and Dennis Mills on being awarded life memberships.

Whilst the Club continued on a sound financial footing, it was a sad and bitter blow to lose our long standing clubrooms and the numerous trophies which recorded our years of success, but it was with pride that I noted the members response and fight back to retrieve our position. In this regard special thanks are due to Mr. Des Jervis for the considerable time and effort in replacing our shields.

The Club was fortunate in obtaining the use of the Keon Park Youth Hall and now enjoys a position on the Board of Management and ultimately will have the Hall as permanent Clubrooms.

Throughout the year various members contributed substantially to the welfare and sound operation of your Club, especially the ladies and Social Committee, the Club Coach, Kevin Dillon, our hard working secretary Dennis Mills, Junior Manager John Radcliffe, and the general committee itself and I record my thanks to all those persons.

In closing, I would like to thank all members generally for their support of both the Club and myself and I wish you all success in the forthcoming season.



KEN SEYMOUR

KEON PARK CRICKET CLUB ANNUAL REPORT.

COACH'S REPORT

Season 1979/80 was a most successful one for Keon Park with two Premierships and the Under 16's being defeated in a semi final. The U'14 team under John Radcliffe's guidance introduced a number of very young players to the club. These young players showed outstanding ability for their age and many future players for the club should emerge from this Xl.

The U'16's with their basic side from the previous year had an excellent year also, being defeated under adverse conditions in a semi final. The Fourth eleven needs some support from the club as not only do we rely greatly on the juniors playing two games each Saturday but also the personnel of the team changes from game to game. In my opinion this team would farebetter as a club Xl. The Third eleven were disappointing as player wise and playing in their grade were probably the strongest team in the club. The side missed the four after several inglorious losses, a little more dedication is required from some players.

The Second eleven had a wonderful year culminating in the premiership, the team spirit and effort throughout the year gained its just rewards. We hope several of the team will show the same dedication when promoted to the seniors next year.

The Fist eleven also had a very good year but the success of this team was based mainly on individual efforts, some of which were outstanding.

Season 1980/81 is looming and if we can create the competitiveness and energies needed to be successful we should once again be the top club in Jika Cricket. Other clubs, being envious of our success, are recruiting vigourously and the standard will improve I am sure.

With our new coaching set up more emphasis can be placed on training and coaching and this will ensure an improvement in some players. I would like to wish all club members a very successful season for 1980/81.

Kevin Dillon.
CLUB COACH.
